## JM EAGLE RENEWS MBE CERTIFICATION

JM Eagle has received renewed certification that the company qualifies as a Minority Business Enterprise.

Employing a largely diverse workforce, the company has been a member of the U.S. Department of Commerce Minority Business Development Agency for many years.

Membership means JM Eagle is recognized by the Joint Utilities as a minority-owned business when competing for procurements by public

utilities participating in the Utility Supplier Diversity Program.

“Many government projects require that the building products used be manufactured by MBE-certified producers,” says Vice President of Marketing Neal Gordon. “At JM Eagle, we are proud to be one of the few plastic-pipe manufacturers to hold this important designation.”
